AFTERWORD

Hello or nice to meet you, I'm Itto. I'd like to thank you for picking up "Priapus 2".

So in the 2nd chapter, some settings changed... "What if he had tattoos when he's being ecchi" is something I received several e-mails about, so I made them show up when he uses a "holy power"! Drawing them on all pages was a bitc...I'm wondering if they got jumbled up too much :> the patterns changing a bit for each power was by design!.....drawing the same pattern from various angles wasn't possible. Orz. Also, when it came to the subject of foreigners, I thought "shaved!" so I tried removing the hair down there. I like shaved, but I don't have many chances to draw it so I went for it. You're probably thinking I should think out the settings a bit more from the start, but if you could turn a blind eye. :3

So how did you like this honda-san? I wanted to make him kinda like a shiba (japanese dog breed) but he ended up looking like a monkey. Officer uniforms are something I've been wanting to draw, so I'm glad I was able to this time. Tarou's lost some weight since last time...Muscular-chubby is hard to draw D: It's fun being able to draw Priapus in any scenario, so I'm thinking it would be nice to make a continuing series. Though if he just stirs things up and keeps stirring, it seems no one will end up happy...

It was a fairly serious mood, with some crazy lines mixed in, but I hope you enjoyed it. Thank you for reading to the end. I'm happy to hear any views and feelings you might have at my e-mail address.

See you later!

WERE HAPPENING TO THE GOD ROD

HEY GUY THIS IS FROZENRAIN, THIS IS MY 1ST TIME CLEANING/TYPESETTING "PRIAPUS 2", SO FORGIVE ME IF I MAKE ANY ERRORS. I HAVE A LOT OF FUN CLEANING "PRIAPUS 2" AND OF COURSE LOTS OF BONERS WHEN I'M CLEANING THE SEX PART HAHA. I AM A BIT SAD THAT MENTAIKO MAKE PRIAPUS LESS MUSCULAR BUT STILL, HE IS AS HOT AS EVER, HAHA. ALSO I AM SAD WHEN MENTAIKO DIDN'T DRAW THE PART WHERE PRIAPUS TOP KENICHI :C. BUT STILL IF MENTAIKO DID DRAW THAT PART, YOU WON'T BE GOING BACK TO READING "PRIAPUS 1" THAT MUCH HAHA. ANYWAY I AM GLAD HE IS GOING TO MAKE "PRIAPUS 3" SOMETIMES IN THE FUTURE. PLEASE SUPPORT MENTAIKO BY BUYING HIS ULTRA HIGH QUALITY RAW "PRIAPUS 2" AND HIS OTHER WORKS!
